Jeux PC PS3 « Saints Row 2 » vendu à 3 millions

d'exemplaires (*Saints Row 2* shipped over two million units for the Xbox 360 and PlayStation 3 during October 2008, the month of its release¹)

On 2 November 2011, THQ CEO Brian Farrell announced that *Saints Row: The Third* was already the most pre-ordered title in series history. In fact, the game had four times the number of pre-orders *Saints Row 2* had two weeks before its launch. THQ estimated the game would ship over 3 million units before the publisher's fiscal year ends in March 2012. By comparison, *Saints Row 2* launched in October 2008 and sold 2.6 million by the end of the

fiscal year. On 25 January 2012, THQ announced that The Third had shipped 3.8 million units globally and are expecting to ship between five and six million units lifetime on the title. To date, the series has roughly sold over 13 million units, including over three million for *Saints Row*
